Dear Sir/ Madam,

2022 is really special year for all the FIMCAP members . The situation with the worldwide pandemic has become more and more part of our everyday life. Though we haven't been able to see each other in a long time, we are now able to meet each other offline during our ICB-meeting, World Camp, international Krinkel campground already this summer and in so many other FIMCAP activities.

But the most special thing about the year 2022 is **FIMCAP's 60th anniversary!** We are very happy to announce that we would like to celebrate FIMCAP's birthday all together during our 60th anniversary campaign. To join the celebrations you are warmly welcomed to share your personal FIMCAP story with the community (about FIMCAP's friends, journeys, camps, funny stories, new knowledge and life experience, impact on the career etc).

We propose you to do so by finishing some of 5 sentences proposed below:

- Without FIMCAP I would never...**
- I am in FIMCAP because...**
- My favorite FIMCAP-related memory is...**
- The most important thing I learned in FIMCAP is...**
- I wish to FIMCAP...**

You can answer this questions in one of 3 formats -

- as a short video:** **maximum 1 min**, horizontal, good lightning, .mp4) → completed by questions + description (1-2 sentences)
- as a photo** (.jpeg, .png format) **+ description** (1-2 sentences)
